

TRAINING PROGRAMS

- Hearing Conservation
- HAZWOPER
- 40 Hour
- 24 Hour, TSD, Emergency Response
- 8 Hour Supervisor
- 8 Hour Refresher
- 4 Hour Awareness
- Hazard Communication
- Chemical Awareness
- Heat Stress
- Confined Space Entry and Rescue
- Fire Science and Safety
- Hygiene for the industrial Hygienist
- OSHA Record Keeping
- 10 Hour OSHA General Industry
- 10 Hour OSHA Construction
- First Aid/CPR/Bloodborne Pathogen
- Fall Protection/Competent Person
- Lock Out/Tag Out
- Powered Industrial Trucks
- Respiratory Protection
- HA New Miner & Refresher
- NFPA 70E Arc Flash & Electrical

Our training sessions can be conducted at your facility, our training room, or a location of your choice.

Please call for a free proposal and consultation on your training needs.

MSA Service Center

Safety, Health & Environmental Consulting

- ▶ **Safety:**
Compliance audits, regulatory interpretation, work practices, accident prevention, job analysis, written compliance programs and manuals, and emergency response plans.
- ▶ **Health:**
Ergonomics, air monitoring, noise control, hearing conservation, respiratory protection, bloodborne pathogens, indoor air quality, and heat stress.
- ▶ **Environmental**
Process safety, VOC, fugitive emissions, soil remediation, EPA reporting and documentation.

Training Services

- ▶ OSHA compliance, job safety
- ▶ DOT Compliance and drug testing
- ▶ Management programs
- ▶ Mine Safety & Health Administration
- ▶ Customized training programs specific to your company's needs

DOT Compliance

- ▶ Regulatory interpretation
- ▶ Compliance audits
- ▶ HAZMAT training, driver safety, etc.

Written Compliance Programs

- ▶ Company-specific programs for HazCom, Emergency Action Plans, Lockout/Tagout, Bloodborne Pathogens, Confined Space Entry, Ergonomics, Respiratory Protection, Process Safety Management, etc.

Safety Manuals

- ▶ Company and site-specific
- ▶ Company-specific Employee Safety Handbooks

Respirator Fit-Testing

- ▶ Quantitative fit-testing using TSI Porta Count Plus 8020
- ▶ Qualitative fit-testing
- ▶ Custom printouts of the test results for recordkeeping
- ▶ Regulatory-compliant respirator user training

Mine Safety and Health

- ▶ Hazard surveys, training and construction over-site for both surface and underground mine sites

Council for Accreditation in Occupational Hearing Conservation (CAOHC)

- ▶ Certification (20 hours)
- ▶ Recertification (8 hours)

SERVICE & RENTAL PROCEDURE-If you are not an established customer, first time rentals are cash, COD, or credit card with a deposit equal to the full replacement value of the equipment. To establish an open account, just ask for a credit application. Normal processing time for a new account is two working days.

All equipment is rented on a first-come first-served basis. Equipment can be reserved. A signed rental agreement must be on file before any equipment can leave our facility. If shipping is required, all equipment will be sent out by next day air freight, unless restrictions apply. All shipping charges are at the renter's expense. Rental charges begin on the day you receive your equipment and end on the day we receive it back at our facility.

SERVICE DEPARTMENT

Our SERVICE DEPARTMENT is staffed by Factory Trained Technicians capable of handling all of your instrument repair needs from inspections to board level repair on most products.

IN-HOUSE SERVICES:

Bench Fee \$90.00 per instrument
Plus Return Freight. Fee will be credited toward repair charges.

Labor Rate: (1 Hour Minimum)
1.0 Hour \$ 60.00
Emergency Labor Rate (1 Hour Minimum)
1.0 Hour \$120.00

Calibration Rate:

1-2 Gas Calibration \$35.00*
3-4 Gas Calibration \$50.00*

*Standard gases O2, LEL, H2S, CO

Exotic Gas Charge is \$50.00 per gas in addition to the Standard Rates for gases readily available at our facility.

Fit Testing:

Quantitative-per mask \$35.00
Qualitative-per mask \$10.00

FIELD SERVICES:

Scheduled Labor Rate:

(1 Hour Minimum plus Travel & Mileage)
1.0 Hour \$70.00
Travel Time \$25 per hour + .545 cents per mile.

Emergency Labor Rate:

(2 Hour Minimum plus Travel & Mileage)
1.0 Hour \$150.00

Fit Testing:

Quantitative-per mask \$35.00
Qualitative-per mask \$10.00
Tech Time Hour \$70.00
Travel Time \$25 per hour + .56 cents per mile.

OTHER SERVICES:

Respirator Cleaning:

Full Face APR \$17.50 each
Half Mask APR \$10.00 each
PAPR, SAR, SCBA \$25.00 each

Respirators are cleaned and disinfected with-in OSHA, ANSI and CSA approved cleansing methods. Service includes inspection for damaged / missing parts and storage of each mask in an individual storage bag. Replacement parts & labor are extra.

Cylinder Filling:

2216 PSI SCBA/Escapes \$15.00 each
3000 PSI SCBA/Escapes \$15.00 each
4500 PSI SCBA/Escapes \$25.00 each

Hydrostatic Testing:

All cylinder materials \$50.00 each

Functional Testing:

SCBA/Escapes facepiece & regulator \$75.00 each

Level A Testing:

Kappler, DuPont, Lakeland \$100.00 per suit

Fall Protection Inspection:

Harness, SLR, Tripod, rescue devices \$10.00 each
Lanyard, D-ring extension, connecting devices \$7.50 each

Confined Space Rescue Team:

Minimum 4 hours \$150.00 per hour

Industrial Hygiene:

Air, Noise, IAQ monitoring – call for proposal

Consulting and Training:

Safety, Health & Environmental Consulting OSHA, DOT, MSHA Compliance Training Industrial Hygiene Services

Mobile Medical Surveillance:

Audio Testing Pulmonary Function Testing
Drug Screening Physical Exams
X-Rays, EKGs, etc.
